Ministry

I can hardly believe that it's already 2012! I am so excited to see what this new year brings! Last year we started off the New Year with the theme "what road are you on?" We challenged the kids to take a look at their lives and see where they were headed and what their actions say about the road they are on. This year we are going to be starting off with the power of a changed life! Change is hard and most of us like our comfortable lives BUT pursuing a life that God wants is bound to bring changes! A life **changed** for Christ, can have an impact that lasts for decades, if not centuries. Let's start a revolution of the heart! From one of self-gratification to one that lives and thrives in service to Christ!- Kelli

In January we'll be taking a look at what a changed life looks like:

1. A changed life begins with God's mercy.
2. A changed life is pursuing a lifestyle of worship.
3. What is the result of a changed life?

In February we'll take a trip on "The Love Boat"! Yep, that's right. It's the annual love, sex and dating month. So, come aboard and see what we have in store! If the thought of coming aboard "The Love Boat" makes you a little queasy...we'll have anti-nausea meds and barf bags!
