

# DISCIPLESHIP CLASSES

Are you looking to grow in your faith? Join us for our newest round of discipleship classes, to be held Wednesday evenings from 6:30-7:45 at Grace on January 14th, 21st, 28th and February 11th, 18th & 25th.

## RAISING KINGDOM KIDS

This class is designed to equip parents in raising their children and teens to live a kingdom lifestyle where they are faithfully seeking, following, and obeying Jesus every day! Psalm 127 says that children are a gift from the Lord and are like arrows in a warrior's hands. Warriors would shape and craft their arrows and then release them in battle to defeat the enemy. When God says that parents should train children in the way they should go, that means that we get to partner with God in preparing our kids and releasing them to do Kingdom work. We'll be covering topics such as creating intentional family rhythms and routines in our homes, setting the atmosphere in our homes, seeking God's kingdom first as a family, teaching our kids spiritual disciplines such as prayer, reading the Word, listening for God's voice, and worshipping, and creating boundaries and disciplining kids in love. This 6-week class is taught by Aaron & Beth Zechman.

## SPIRITUAL ROOTS TO DISEASE

ARE THERE SPIRITUAL ROOTS TO SICKNESS & DISEASE? In his book, *Exposing the Spiritual Roots of Disease*, Dr. Henry Wright states, "You should be a thriver! While the world might be struggling in disease and hopelessness, you should be a happy, well-balanced, and enthusiastic son or daughter of God." To accomplish this, we must realize that we are engaged in a spiritual war that requires the use of knowledge and Biblical truth to defeat the enemy. Join us for a 6-week class exploring the concept of healing that occurs from the "inside out." We will: Seek to understand the possible spiritual roots "in us" that can manifest as disease, explore the reasons why people get sick, and look at possible spiritual solutions to the physical problems we deal with. If you've been praying for physical healing and haven't seen it manifest yet, it could be worthwhile exploring the possibility that there are spiritual roots behind your physical symptoms. This class is taught by Janie Haines and Ang Weaver.

Classes/childcare will be provided for registered children (up to 5th grade).
