

DISCIPLESHIP CLASSES

Are you looking to grow in your faith? Join us for our newest round of discipleship classes. Classes will be held March 12th, 19th, 26th and April 9th, 16th and 23rd from 6:30-7:45 pm at Grace.

HEALING SCHOOL

So much of what Jesus did when He was here on earth involved healing! He commissioned His disciples to heal then, and as His disciples now, we have the authority to heal as well. If you have compassion for those who are sick or hurting and desire to pray for healing, this class is for you! Join us as we learn what the Bible says about healing and ways to practically apply the Word to your life. This class is a 6-week video class (Andrew Wommack series) facilitated by Cassandra Reichenbach & Nicole Hoover.

KINDS OF UNBELIEF & THEIR CURES

Did you know there are different kinds of unbelief? Unbelief can hinder our faith, but it is not always a lack of faith. It could be a lack of biblical knowledge, false teachings, or the allure of worldly desires. This Spirit-filled study will help you discern the different kinds of unbelief and the cures. Moments of doubt (or unbelief) can be an opportunity for a deeper understanding of God's truth and His promises. Using scripture-based insights and practical strategies, this class will challenge you to examine your beliefs and provide tools to help you stand firm against deception, lies, and cultural influences. Discover how to move from unbelief to trusting in all of God's promises for you! This 6-week video class (Duane Sheriff series) and discussion is facilitated by Dan and Kelly Heeter.

BRINGING GLORY TO GOD IN OUR BODIES

God has given us each a physical body. In it, we are to live and bring glory to Him. Our bodies are amazing creations that we are to care for and respect since they are a gift from Him. And Jesus came to give us an ABUNDANT, PROSPEROUS LIFE, which includes our bodies! Unfortunately, we often believe lies about ourselves, our physical appearance and our health. Freedom isn't just about our souls and our spirits! We are told to love God with ALL that we are. Join us as we dig into the area of physical health and wholeness. We will learn together what it looks like to overcome ungodly mindsets about ourselves and our bodies and take steps to begin to live in truth regarding food, appearance, health and fitness. This 6-week class is taught by Heidi Potter.

Classes/childcare will be provided for registered children (up to 5th grade).
