From brokenness to double portion

Joshua Ministries Network presents **Restore 2026**, a one-day conference for women. The dictionary's definition of restore is to give back or return, to put back into the original state or use, or to renew. While we know this is true, we also know that God's definition of restore goes way beyond this!

We all experience the effects of this broken, fallen world. Life rarely turns out the way we think it should, and the enemy is always working to steal, kill and destroy. **But God!** Join us as we learn what the restoration that God promises looks like in our personal lives, marriages, relationships and families. Make the divine exchange from brokenness to double portion restoration!
